FINE WOOD CARVING DONE BY GIFTED LOCAL RESIDENT

William Weyl completed on Friday of last week a miniature in hard wood—sugar pine—of the great ocean liner, The Lusitania, which was destroyed by a German submarine.

The reproduction of the liner occupied six months of tedious labor, and is a wonderful piece of work—the achievement of a young man whose rare gift has not as yet been directed by other hand than that of Nature.

That Wm. Weyl was a "born genius" as a wood carver has long been known to his friends, and during the eight years in which he has devoted leisure time to the natural development of his talent, "Bill's" artistic accomplishments have been a source of surprise and pleasure to his friends.

While the carved reproduction of the ship is remarkably well executed and is greatly admired by all who view it, yet Mr. Weyl is not altogether satisfied with his work. But, then, the true artist rarely ever is. The young man feels assured he could more perfectly "build" the liner, and more beautifully form the rose wreath frame were he to reproduce the carving.

Mr. Weyl's friends will endeavor to have the ship, which was on exhibition in the window of the Hotz Dry Goods Store, displayed in conjunction with the Sonoma County Exhibit at the Exposition.

LOCATE IN SEBASTOPOL

Henry Brown departed for Sebastopol, Wednesday, to assume his duties as line foreman of the California Telephone and Lighting Company in that district, in which an extensive territory is embraced. Mr. Brown is thoroughly competent, and an attentive, reliable workman, and his valuable assistance will be missed by Line Manager Ralph Evans, of Sonoma, whose "right hand bower" Mr. Brown has been. Mrs. Brown joins her husband after a few days' visit with her brother-in-law and sister, Mr. and Mrs. Jack Brown, (nee Elk Englund) in Healdsburg. Sonoma friends hope to soon welcome this well-liked couple to our midst again.

SPRAINS ARM

Dr. W. B. Hays attended G. S. Monroe, Sunday last, who suffered a severely sprained arm while handling a pair of fractious colts.

TOMORROW TO BE A BIG HOLIDAY IN SONOMA VALLEY

Don't forget to come to Sonoma, Sunday, September 5th. Everybody will be here—so will Parks & Banks Railroad Shows. They will give two performances—one in the afternoon and one at night, rain or shine, under acres of waterproof canvas. This is a high-class, moral, refined and amusing as well as educational exhibition for the old as well as for the young, and comes highly spoken of by the press and public in cities visited.

The coming of this mammoth tented city is looked forward to with great pleasure, anticipation and joy by everyone.

The Parks & Banks Shows are offering for your approval some of the world's highest salaried acrobatic, gymnastic, aerial and arenic artists, presenting feats, features and wonders from every known land, combined with wild animals. A herd of performing elephants; many beautiful Shetland ponies in drills and marches, dogs, monkeys and goats, trained to do everything but talk; a host of funny clowns; fine bands of music; Madam Roberts, the human butterfly; The Leonharts, famous tango dancers; the boxing monkeys; the baby elephant and Captain Herbeck's fight with the big lion, makes it truly a holiday for all. A children's fairyland they will remember long after it is gone is brought to your very doors.

Come early, bring all the children and have a good time. Big free outside thriller takes place on show grounds, 1:30 and 7:30 p. m. Don't forget the date, Sonoma, Sunday, September 5th.

RETURNS HOME

Mrs. N. F. Gobar took her departure, Sunday afternoon, for her home in San Benito County, from whence she came a week previous with her daughter, Miss Louise, who has entered the local high school, and will make her home with her brother, Dr. Irving C. Gobar. Mrs. Gobar was accompanied as far as San Francisco by her son and grandson, Dr. Gobar and Master Irving.

PURCHASE BUICK

Mr. and Mrs. Walter Bundschu and likewise their friends are enjoying the pleasure of motoring at will, they now driving an luxurious Buick which was delivered to the Bundschus Friday of last week.

REPRESENTATIVES OF LOCAL OFFICE HAVE VACATIONS

The accommodating operators of the local telephone company are "in line" for their annual vacation trips and the rest which each has so well earned.

For the next two weeks, the musical voice of Miss Jeanette Hansen will be missed by telephone patrons. Miss Jeanette is spending the last few days in Santa Rosa after which, accompanied by her sisters, the Misses Norma and Lucy, she will join their father and brother, Peter and Roy Hansen, in San Francisco for an Exposition visit.

On the return of Miss Hansen, Chief Operator Miss Nellie Peterson will recreate for a fortnight with relatives in the bay cities, and spend a good part of the time enjoying the Exposition.

Telephone Manager Jerome Jansen is to be granted his furlough in October, and this capable and justly popular representative of the Telephone and Lighting Company, will be a Sonoma addition to Exposition sightseers during his respite from office duties.

The date of Miss Elmira Hansen's vacation is indefinite, but is to be taken at the pleasure of that young lady.

FORD PURCHASED BY R. CANTONI

Another Ford is a combination of pleasure and business benefit to its owner. R. Cantoni, proprietor of the Old City Bakery, is the enterprising local business man to purchase the machine through the dependable agency of Poshy & Coates. Mr. Cantoni's acquisition is fitted with removable tonneau.

RODE IN MAXWELL

W. F. Clewe was host to S. B. Lewis, H. F. Bates, Eugene Oppinger and City Trustee Claude Johnson, Sunday last, the Sonoma men enjoying a trip to Santa Rosa and the races in his fine 1916 Maxwell Touring Car. The gentlemen speak in the highest terms of the comfort of riding in a Maxwell Car.

CONSERVATION OF ARMSTRONG WOODS FOR STATE PARK

In the Index Tribune of a fortnight back, appeared a communication from Attorney Robert A. Poppe, relative to the conservation of the Armstrong Woods near Guerneville.

Engrossed in the affairs of everyday life as the majority of us are, to such an extent that all too frequently matters to which we should devote consideration are overlooked or forgotten for the moment, we believe Mr. Poppe's suggestion that Sonoma Valley support the laudable movement has been overlooked unthoughtfully, but that more of our people will respond and send in their names when the purport of the suggestion is fully realized.

Mr. Poppe had this to say: "The public is no doubt familiar with what has heretofore been done about the proposed purchase of Armstrong Woods, at Guerneville, for a State Park. Unless the property is purchased soon, the trees will be cut down for lumber. This would be a disgrace to the public spirit always manifested by the people of Sonoma County in matters pertaining to the general welfare.

"The proposition first advanced, that forty public spirited citizens each contribute a thousand dollars, having come to naught, it is now suggested that forty thousand persons each contribute one dollar for this purpose.

"As we can never get anywhere unless we make a beginning," concluded Mr. Poppe, "I send you the names of four subscribers at one dollar each, towards a fund of forty thousand dollars for the purchase of Armstrong Woods as a State Park."

SUBSCRIBERS.

Mrs. Catherine Poppe,
Robert A. Poppe,
Mrs. Anna F. Poppe,
Miss Emilie R. Poppe.

The list is open at the Index-Tribune office for other contributors.

A Clam Chowder Supper, with a solid supplement, will be served by the workers of the Congregational Church on Friday evening, September 24th. Be vigilant for further particulars.

LOCAL PHYSICIANS MOVE INTO FINE NEW QUARTERS

Drs. A. M. Thomson and W. B. Hays are moving into their new quarters in the Bulotti Building, and within a few days will be fully installed in the four handsome rooms embraced in their office suite.

The reception room and private offices are being newly and elegantly furnished—quite in keeping with the dignity of the profession and of the high standing of the physicians who are to occupy them. The furniture, rugs, etc., were purchased from the Sonoma Valley Furniture Company.

In connection with the completely equipped laboratory is a dark room for X-Ray apparatus, and in other respects the offices are modern and complete.

Like the lower floor—the spacious storeroom occupied by the Sonoma Valley Furniture Company—the upper story of the Bulotti Building is of splendid construction and admirable finish, with spacious and beautifully lighted halls. Dr. Hays, by-the-way, proposes to gratify his artistic taste by adorning the landing at the first turn of the stairway with an luxuriant palm.

STUNG BY SPIDER

Deputy Sheriff and Mrs. Jack Murray and family drove over to the races in Santa Rosa, Sunday. Intrepid Jack's many friends are glad to note that he has again the unimpaired use of his keen left eye, which had been closed by a swelling resulting from infection caused by the sting of a spider just below the eye. Under the care of Dr. Thomson, genial Jack has fully restored vision to look after evil doers.

RETURNS TO SONOMA

Miss Marguerite Gerick came over from Sebastopol, last Saturday, where she had visited at the Gerick ranch for an extended period. The Gerick sisters—a most popular and charming trio of young ladies—have divided their time, during the summer months between the Gerick country home, Alta Vista, in the Sonoma Valley, and that in the Gold Ridge district.

NATIVE SONS ARE IN READINESS FOR ADMISSION DAY

"White duck trousers, white soft shirt, white hat, golden belt and tie" constitutes the uniform to be worn by Sonoma Valley Native Sons of the Golden West in the great parade at the celebration of Admission Day in San Francisco.

It is expected that over sixty members of Sonoma Parlor will march, and at the head of the Sonoma County division will be Sonoma's well-trained, handsomely uniformed Drum Corps.

Local members of the fraternity are bubbling with enthusiasm over this greatest of days at the greatest of World's Fairs, and the loyal sons of the greatest State in all of these United States, from her uttermost northern line to her furthest southern boundary, and from sun-kissed east to golden-glowed west are cementing with renewed strength the links of the worthy brotherhood in their ambition and determination to pay fitting tribute to California on the anniversary of her admission into the Union.

President John F. Picetti, of Sonoma Parlor, who is very active in preparing for the day of events, has provided us with the following information relative to the big parade:

The Eleventh Division will form on Davis Street, between Pine and California Streets, facing south, right resting on Pine Street.

Parlors are expected to be in position by 9:30 A. M., so that the parade will be ready to move at the appointed hour, 10 A. M. On reaching the Exposition grounds the Native Sons will disband in front of the California Building, where each uniformed member will be presented by the Marshal with a badge, which gives to the wearer entry at any time into the Exposition grounds.

Sonoma Parlor headquarters will be at the Hotel Argonaut.

ENTERS ST. LUKE'S

Mrs. L. S. Simmons returned from San Francisco, Thursday evening, whether she accompanied her daughter, Miss Gladys, who on Monday entered St. Luke's Hospital, to resume her course of training as a nurse. Miss Gladys will be very greatly missed from the social circles of our city, and her regular home visits will be looked forward to with much pleasure by family and friends.

MRS. MAGDALENE VOIGHT CROSSES GREAT DIVIDE

Monday, August 30th, when Mrs. Magdalene Voight crossed the Great Divide, Sonoma Valley lost another worthy resident one who had dwelt in our midst for twenty years, and to whom was accorded the highest measure of respect and the friendship of a host.

The passing of the venerable woman was a profound shock to the community, as Mrs. Voight was well on the road to recovery from a serious attack of pneumonia, and family and friends were very hopeful. An attack of heart failure brought the sudden end.

Mrs. Voight was a native of Germany, and aged seventy-five years and seven months. At the age of fourteen years, she left the fatherland with her parents, the family coming to the United States and settling in Indiana. While a resident of that State, deceased was wedded to David Voight, who preceded his devoted wife into the Valley of Shadows in March of 1913.

On leaving Indiana, Mrs. Voight and her husband journeyed to California, taking up their residence in Napa County, from whence they removed to Lower Lake, Lake County, where they lived for many years, coming to this valley twenty years ago, and residing here continuously since.

Nine children blessed the union of Mr. and Mrs. Voight, three of whom survive to mourn the departure from earth of their beloved mother, viz.: Mrs. Lucy Cassidy and Miss Hettie Voight, of Vineburg, and George Voight of San Francisco. Deceased leaves one sister, a resident of Indiana.

Mrs. Voight was a true Christian, a member of the Methodist Church, scattering seeds of kindly charity along the pathway in her journey through life. She was ever a devoted wife, tender, indulgent mother and sincere friend.

The funeral was held from the family residence Thursday afternoon, Rev. Edwin F. Brown, pastor of the Methodist Episcopal Church conducting the services.

The remains were interred in Mountain Cemetery, beside those of her husband and three children.

BENEFIT A SUCCESS

The entertainment and dance for the benefit of the Sonoma Native Sons Drum Corps, given in the Agua Caliente Springs Auditorium Friday night of last week was very largely attended, and a splendid success in every particular.

Director Fred Hansen and his bunch of drummers desire to express their thanks to Mr. and Mrs. Theodor Richards for the use of their Auditorium; to the management of Boyes' Springs for closing Boyes' Theatre on the night of the benefit; to Amusement Manager Landers Stevens of Boyes' for his invaluable assistance, and to the public in general, whose patronage has made it possible for the Drum Corps to enjoy the Exposition.

REPORTS FOR DUTY

After spending his fifteen days' vacation with his mother and sister, Mrs. Katharine Buchan and Mrs. Arthur M. Fisk, and other relatives in this city, Ralph Buchan departed Thursday afternoon to report for active duty to the Red Cross Naval Military Corps. Just prior to his coming to Sonoma, Ralph completed his ten months' study course on Goat Island.

ON VACATION TRIPS

Miss Anita Gassner, one of the very accommodating salesladies in the G. H. Hotz Dry Goods Store, has been enjoyably spending this week in Calistoga.

Mrs. Ada Pauli and son Roy leave tomorrow to spend next week at the Exposition. It is needless to add the trip is anticipated with much pleasure.

Mrs. Fred Hansen has recovered from her recent severe illness, we note, and has been pleasantly this week in San Francisco.

AN USEFUL DISPLAY

One of the most interesting displays at the Agricultural and Industrial Exhibit, which is now in full swing at the Sonoma Valley Union High School, is that of the California Telephone and Lighting Company. An electrical range, with all sorts of modern electrical cooking appliances, has been installed. Housewives are particularly invited to witness the demonstrations to be given on these labor saving contrivances this afternoon by the Company's representative, Wm. Evans, assisted by the Domestic Science Department of the High School.

Vineburg was sure some busy place on Sunday last, as all day long one continuous stream of auto cars and rigs of every description passed through the burg, and of course the teams had to be watered and the cars supplied with gasoline.

Peter Bosch, Jr., returned Tuesday evening after a few days' visit in the bay cities. It was reported in political circles that Mr. Bosch went to Texas to help settle the Mexican question, but it is not so. He was only on a pleasure trip to the metropolis.

Alois Andreggen, a former chef at New Vineburg Inn, but now at Martin's Cafe, San Rafael, was the guest of Mr. and Mrs. Theodor Anthean at their residence in North Vineburg the week-end. All of Al's many friends were glad to see him again.

William Bloak, "Our Willie," returned from his outing in El Dorado County, Saturday last, after a month's absence, and looks as "a seventeen dollar gold piece." Willie says he landed two beautiful deer, but Minnie Madden says they were "dead ones"—the only kind of deer that the society sports of Vineburg can land. Don't be jealous, Minnie! Willie is alright.

El Verano

Mrs. Louribos, proprietor of the Victoria Hotel, is now in San Francisco, taking in the Fair.

Elmer Dear Owens, the chief clerk at Boyes' Hot Springs, has just returned from a visit to the Exposition. Elmer saw it all, including Siela.

Joe Hayden, the well-known mayor of King's Crossing, dropped into town Monday afternoon to get a peep at the flying night hogs. It being a night mare, Joe did not get to see the varmint.

At 10:25, Tuesday morning local residents heard a loud report like a clap of thunder, and some felt their dwellings shake as if from an earthquake. The powder train which was blown up at Pinole was the cause of the tremor.

GREY WOLF

Charles Groskopf was exchanging greetings with his many friends in this vicinity on Sunday last.

Fruit cutting is completed at the drying yards of John Batto & Sons and a large amount of fruit has been cured. The climatic conditions for the last ten days have been all that could be desired for fruit drying. The first consignment of the season was shipped to San Francisco on Monday last from Batto's Spur. W. F. Clewe, of Sonoma, the expert local fruit agent for Rosenberg Brothers, attended to the shipment.

A merry party of ladies and gentlemen were the guests of Mr. and Mrs. Arthur Batto on an auto-truck picnic to the northern part of the valley on Sunday last.

A visit to the different scenic spots was followed by a delicious luncheon, spread under the shade of the majestic oaks. The party, who returned well pleased with their outing, comprised Mesdames W. Steddum and little Miss Evelyn Steiger.

HAPPY JACK.

PERMIT GRANTED TO BUILD CLUB HOUSE

President Mrs. P. N. Stofen and Mrs. F. Duhring appeared on behalf of the Sonoma Valley Woman's Club before the Board of City Trustees, Wednesday night, asking for and receiving the permission of that honorable body to construct a Club House—a wooden building—within the city limits. While thus armed with authority to go ahead, yet it is very indefinite as to just how soon this long and much-desired acquisition will be a reality. Unless money can be borrowed by the Club at a cheaper rate of interest than has yet been offered, the building of the Club House may be delayed.

In the meantime, he ladies continue to increase their building fund. A nice sum was added this week from the Rummage Sale, at which a surprisingly worth while array of salable articles was displayed. By-the-by, the Garden Fete, which had been announced for September 16th, at the home of Mrs. M. Clewe, has been indefinitely postponed.

Some "Twenty Years Ago" in Old Sonoma

(FROM THE SONOMA INDEX TRIBUNE OF AUGUST 31, 1895.)

Miss Ella Durant is visiting relatives in Sacramento.

J. P. McDonnell, publisher of the Sebastopol Times, was in town on Sunday.

Henry Carriger, son of Mr. and Mrs. C. C. Carriger, is studying law in the office of Attorney R. A. Poppe.

Mrs. Ada Pauli, Sonoma's Western Union Telegraph operator, will go to Sacramento to spend Admission Day.

J. H. Weise, deputy sheriff and jailer, came down from Santa Rosa last Monday on business connected with the Nordin suit.

A number of school children attended the Pelaluma Fair on last Saturday. They were accompanied by Mrs. Stevenot and Mrs. Empanan.

Henry Bates has bought the Kenny cottage on Napa street, adjoining the public school grounds, and will make a number of improvements on his purchase.

One by one the old adobe landmarks of Sonoma are disappearing and it is a good thing, too, as they have been veritable eye-sores to the four streets surrounding the plaza. This week, F. Duhring has had workmen engaged in tearing down the old adobe and brick shanty adjoining his store on First Street East. This building, which has been used by the Duhring's for 37 years as a store and storeroom, was constructed over fifty years ago, and has been in a tumble-down condition for a number of years. The old edifice will give place to a modern building.

F. Duhring will commence the erection of a frame building on Napa street next week to be used as a tinshop by P. G. Keil.

Mrs. Robert Poppe and her little daughter Emily, returned this week from San Francisco where they were pleasantly entertained by relatives.

Charles Dal Pogetto is fixing up his building adjoining Lyon's blacksmith shop on Napa street for a tailor shop. When completed the place will be occupied by Conrad Futterer.

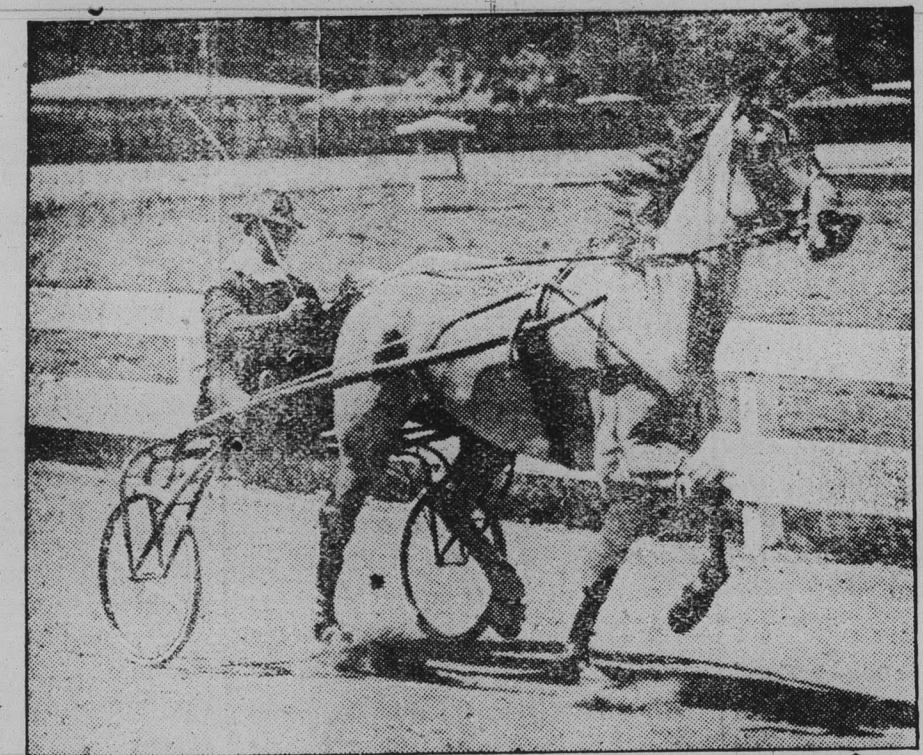

Batto's fruit dryer at Vineyard Station has been steadily at work for the past two months on peaches and other kinds of fruit. At times as many as twenty-five hands have been employed. At the present time apples and prunes are being handled. French prunes are being contracted for at \$18 to \$25 per ton, according to quality, silver prunes at from \$10 to \$20 and apples from \$4 to \$6.

On Friday evening of last week the handsome home of Mr. and Mrs. T. M. Dunn, in Sonoma's southern suburbs, was the scene of an enjoyable surprise party given in honor of their daughter, Miss Annie. The evening was spent with music, games, dancing and refreshments which made the hours pass merrily by. Among those present were Mr. and Mrs. Dunn, the Misses Grace Carmer, Annie Dunn, Zarifa Howe, Anna Wadsworth, Mabel Sellers, Grace Champlin and Cecelia Granice; Messrs. Charles Cutter, Stewart Elliot, Lester Richmond, Skelton Glaister, Ed Morris, Steve Akers, Malcolm Elliot, Chas. Champlin and Clarence Cheney.

Matinee Races in Sonoma City

Sunday, September Nineteenth

Ryan's Handsome Pacer, "Jim Chase," To Be Raced by Owner Against an Automobile of any Make

At last! Before the closing of the 1915 season Sonoma City is to have Matinee Races, when a card of events equal to that held in Santa Rosa, Sunday last, will be pulled off.

Disappointment has been keen this summer that local followers of the turf have not had the privilege of enjoying their favorite pastime at home, and the announcement that Matinee Races are to be held in Sonoma, Sunday, September 19th, will be received with satisfaction by Sonoma Valley horsemen.

Matinee races are to be held at Petaluma Sunday, September 12th, and the Sonoma Race Meet, held a week later, will probably be the last of the series.

Undoubtedly the most exciting event of the afternoon will be the dash between Joe Ryan's splendid pacer, "Jim Chase," and an automobile. On a couple of occasions the speed of the pacer has been pitted against that of a motor car, and each time "Handsome Jim" has outdistanced his competitor. "Jim Chase," too, be it understood, is the pride of Ryan's heart. Joe has handled the ribbons over innumerable fine animals for which he has had a fondness, but none has ever been "as dear to his heart" as this beautiful horse reserved for his personal pleasure. The noted Sonoma reinsman will also drive his pacer, "La Donna," on September 19th, and hopes for better results than was achieved on Sunday last.

"La Donna," by the bye, lost out at the Santa Rosa races last Sunday, to the extreme disappointment of the many Sonoma Valley residents who had pinned their faith to "La Donna," and picked her as a winner. The loss of the race was attributed to the overworking of the pacer prior to the races.

In the road race, winner of each heat to go to stable, Leland Bruback's "Pacific" won first money on the Santa Rosa track, last Sunday.

Ryan's famous guideless pacer, "College Maid," won enthusiastic applause at the Santa Rosa Meet. The Press Democrat reports her exhibition as follows:

"Aside from those bursts of speed that brought men and women cheering to their feet in the grandstand and in the automobiles and along the lines of the track, there was that almost human race by the College Maid, the 'guideless wonder,' owned by Joe Ryan of Sonoma. To see the mare start at the half-mile post and pace a lively clip, all alone—a truly 'guideless wonder'—past the wire, and then when the gong tapped, turn and come back, and about forty yards, was certainly most pleasing and thrilling. The half was turned in 1:08."

The Sonoma Valley Driving Club is getting the local track in shape for the September 19th event.

Have Full Power To Place Home- less Children

Attorney Gene al Webb's opinion recently handed down concerning the placing of children for adoption, is of interest to fraternalists to whose care hundreds of homeless little ones are consigned annually.

The opinion of Attorney General Webb was given at the request of S. A. Queen of the State Board of Charities, and is to the effect "That any institution receiving State aid, or any institution receiving commitments from the juvenile courts may find homes for homeless children and arrange for their adoption, giving the necessary consent, in place of the parents by whom the children are committed to their care."

Under the classification of a body receiving commitments from the juvenile courts, the central committee of the Native Sons and Native Daughters of the Golden West may pursue the work of placing homeless children without interference from other authority, save that of the juvenile court.

Jewish Holidays To Be Observed In September

Jewish residents throughout the county are preparing for the annual Jewish holidays in September. The first of these—Rosh Hashanah, or the Jewish New Year—takes place on September 9th and 10th. Yom Kippur, or the Day of Atonement, occurs on September 18th. On September 23rd and 30th, respectively, will be celebrated Sukkoth, of the Feast of the Tabernacles, and Shemini Atzereth, or the Seventh Day of the Tabernacles. These latter holidays are observed in the larger cities only, owing to lack of proper facilities.

This County May Get Hatchery

There is a possibility that Sonoma county will be selected for a branch fish hatchery. W. H. Selby, superintendent of the State hatcheries at Sisson and his secretary, Ernest Schaeffle, are making a tour through Sonoma, Humboldt and Mendocino counties looking over the trout streams and attempting to select the most advantageous point for the establishment of a hatchery. An effort will be made to have the hatchery located in northern Sonoma county, as shipping facilities are excellent there.—Press-Democrat.

Suggestion Made Should be Acted Upon Speedily

During the course of the remarks made by Amusement Manager Landers Stevens of Boyes' Springs at the Native Sons Drum Corps' Entertainment and Dance, Friday night of last week, the suggestion was made by Mr. Stevens that a testimonial be given by the people of Sonoma Valley to Mr. and Mrs. Theodor Richards, in appreciation of the years of effort or their part in contributing to the development of the resources of this district, and of assisting on every available occasion in every movement of benefit in anywise to the valley and its residents.

Now, then, this suggestion should be acted upon, for it most certainly is due Mr. and Mrs. Theo. Richards, who suffered such a heavy financial loss in the destruction of their property—the Agua Caliente Springs Hotel.

In its report of that disastrous conflagration, the Index-Tribune urged along similar lines—not a testimonial, but that sympathetic good fellowship be evinced toward Mr. and Mrs. Richards by the pleasure-seekers packing the new Auditorium nightly for the remainder of the season.

Our suggestion was good. That of Manager Stevens is better. Let's arrange a Richards testimonial as speedily as possible, before the season closes.
